# Accelerator | More than just a savings plan

Many financial planners recommend that you save 10% to 15% of your salary.1

## **Accelerator Pro**

is a savings plan that can be customized to meet your needs, circumstances and goals.

Whether you are saving to purchase a house, working towards retirement or investing for education, this solution can help you reach your goals by giving you control over how you invest your savings.

#### What should you consider, to reach your savings goals?

- 1. When do you want to reach your goal?
- 2. What is your goal amount?
- 3. How much can you regularly contribute to your goal?
- 4. How would you like to approach your investment, moderate risk or an aggressive approach?

While you're working towards your goals, we'll help make sure you stay on track with built in benefits, to help you stay healthy and at your best:
