GUARANTEED LIFE INSURANCE BENEFIT

Life insurance is a very important aspect of your family's safety. In fact, in the event of unfortunate loss of life, it would help make up for your lost income, fund your child's education, payoff your debt and more.

Wealth Protect provides you with a generous life insurance benefit that guarantees your family's ability to maintain their lifestyle if you are no longer here to provide for them. At plan inception, you will have two benefits options to select from:

- Life Insurance Benefit of up to USD 10,000,000 or the Account Value whichever is higher.
- Life Insurance Benefit of up to USD 10,000,000 and (+) Account Value.

Under Wealth Protect, Life Insurance Benefits range from USD 250,000 to USD 10,000,000.

VALUABLE OPTIONAL INSURANCE PROTECTION

You may further customize your plan and enhance it by selecting from the below valuable insurance protection benefits:

Waiver of Premium on Disability: In case of unfortunate disability, MetLife will continue paying for all the remaining premiums to guarantee that the plan remains in force and that your goals remain unaffected.

Level Term Benefit: This supplementary benefit enhances your life insurance coverage with an additional lump sum payment of up to USD 2 Million paid to your beneficiaries along with the guaranteed life insurance benefit you have initially selected.

Income Benefit Rider: This benefit provides your beneficiaries with access to a monthly income that would help your dependants cope with the loss of your income in the event of your passing within the selected term and for the remaining period.

Spouse Term Insurance: A lump sum benefit is paid in the regretful event of spouse loss of life within the selected term.

Personal Accident Benefit: While serious injuries or loss of life resulting from an accident can cause severe financial and emotional problems, this benefit would ensure that in the event of such events you and your loved ones are financially protected.

VALUABLE PENSION BENEFIT

Instead of receiving your account value in a lump sum, you may elect to receive a regular monthly income for your lifetime. The monthly income will be paid to you for as long as you live and, in the regretful event of your loss of life during the guaranteed period, your dependents will continue to receive your monthly income for the remainder of that guaranteed period.

MAXIMUM FLEXIBILITY

In order to help you cope with your ever changing circumstances, Wealth Protect comes with the flexibility that helps you tailor-make the plan to your specific needs. In fact, subject to policy terms, you are entitled to:

- Increase your life cover amount after the 2nd policy year
- Reduce your life cover after the 5th year

ACCESS TO CASH SHOULD YOU NEED IT

It's always reassuring to know that you can access money quickly should the need arise. With Wealth Protect, you are entitled to two partial surrenders per year up to 80% of the Net Cash surrender value subject to terms and conditions.

Note: Surrender charges may apply and accessing cash will reduce your account value and coverage.

STORIES LIKE YOURS

I am David. I am 35 years old and I live in Dubai with my wife Carol and our new born Twins, Adam and Scott. Being the breadwinner of this young family, one of my goals is to support my dependants financially and make sure they can sustain the lifestyle they are accustomed to.

Wealth Protect allows us to tailor the plan based on our investment needs with a low premium and a potential for good returns without affecting our daily finances. The plan also comes with a sizeable life insurance benefit to ensure my family's protection in

case I am no longer there for them.

By contributing an affordable USD 336 on a monthly basis for a period of 10 years, Wealth Protect allows us to invest these funds to help us reach the plans we have set. The Plan even provides us with the peace of mind knowing that, no matter what happens to me, a USD 500,000 insurance benefit will allow to cover my mortgage and car loan while also providing Carol, Adam and Scott with highly needed cash to maintain the lifestyle they are accustomed to.
