

of the UAE respondents in the UAE do not hold a life insurance product for themselves1 to protect their loved ones, should they lose their life due to natural or accidental causes.

Protecting your loved ones, should you lose your life means providing financial security for your:

Children's future and education

Spouse and parents

SME protection

In order to protect the ones you love, the recommended life cover is approximately 7-10 times your annual salary.²

Live Life provides financial protection for you and your loved ones in case you are no longer able to provide for them, due to loss of life. It provides up to US \$50M in loss of life benefits. Available for both Gulf residents and non-Gulf residents:

MetLife Discount Card for preventative care including vitamins, supplements and dental, optical and dermatological care.

Options to add supplementary medical cover for Critical Illnesses or Health Cover Abroad, providing access to the best specialist treatment and a lump sum benefit.

Second Medical Opinion, to make sure that any diagnosis you may face is verified by another expert to enable better care.

Your cover and benefits go with you, where ever in the world you may be, with worldwide cover and portability.**
