

The second opinion that can save lives

Did you know that your MetLife insurance policy brings you 2nd opinions from “America’s Best Hospitals”¹?

Importance of Second Opinion

- Misdiagnosis & Treatment errors are common.
- Second opinions confirm diagnosis and help identify alternative treatments.
- Second opinion services can improve healthcare outcomes.
- The practice of medicine is becoming more specialized. A multidisciplinary approach enables specialists in different medical fields to collaborate to ensure the most effective management options.

WorldCare Second Medical Opinion in Numbers:

- Operations in Over 40 countries.
- Over 17,000 doctors and well-known specialists in the WorldCare Consortium®.
- Over 2.6 billion dollars in annual research funding at the Consortium institutions.
- Over 20 years of experience.
- Over 19,000 Second Opinion studies completed.
