

International Women's Day Global Sponsor 2019

Women are strong protectors,  
**It's time to protect yourself,**  
So you can protect the ones you love.

Navigating life together

**You always take care of your loved ones and now its time to take care of you.**

---

## **You matter**

We know you are a strong protector and now we want to help you Protect yourself, so you can be even stronger and support your loved ones even better.

## **We're here to support you**

At MetLife your health matters to us, that's why we have created **Women's Protect** a new product which puts you first.

## **How does**

## **Women's Protect work?**

**Women's Protect** ensures that you and your loved ones are financially protected if you are diagnosed with a Female Cancer.

**For as little as AED 32 per month, you can receive up to AED 400,000 when you most need it.**

We will pay your chosen amount if you are diagnosed with any cancer including Breast Cancer, Ovarian Cancer and Cervical Cancer.

# Cancer affects women from all walks of life

Today cancer, affects the lives of millions of women around the world. The statistics speak for themselves.

**23,623**

women get diagnosed with cancer everyday.\*

**Breast cancer**

is the most frequently diagnosed cancer in the UAE\*

The good news is that many cancers can be treated. In fact, the survival rate for women with stage 0 cancer is close to **100%.**

However, there are many cost related to treatment and subsequent recovery from cancer.
