ACCIDENT & SICKNESS IN-HOSPITAL INCOME

Hospitalization due to sickness or resulting from an accident is a very traumatic experience, especially if you are left worrying about your lost income.

This Benefit guarantees cash payments for the period of hospitalization enabling you to relax and concentrate on getting better, while your family's well being is taken care of.

RECEIVE CASH WHILE YOU RECOVER

Should you have an accident or suffer from an illness for which you need to be hospitalized, MetLife will pay you the selected weekly benefit amount from the very first day of your hospitalization for up to 52 weeks. The money you receive is paid in addition to any other insurance policies you may have and can be used to replace lost income, assist with family expenses or to help pay for the best possible medical care.

In addition, the Circles of Protection 4 is packed with special features:

- You receive payments regardless of your expenses, even if you are treated or admitted in a free hospital
- Your benefits are paid directly to you
- There are no deductible amounts. A waiting period of 30 days applies for sickness
- You can choose the contributions / pay-out amount that best suits your needs
- You will receive benefits even if you have other insurance plans

UPGRADE AND GET EVEN MORE FROM YOUR POLICY

In addition to the standard policy benefits, you can select additional protection to supplement your cover.

150% In-Hospital Income for Heart Attack/Cancer

By paying a small surcharge of 15% to the applicable premium you can increase your pay-out by 50%.

200% In-Hospital Income for the US, Canada & Europe

By paying a small surcharge of 10% to the applicable premium, your payout will be doubled in case of an accident or sickness, while on a visit to the US, Canada or Europe.

In-Hospital Surgical Expense Reimbursements

Hospital stays are often accompanied by costly

surgeries. Should you or your family need surgery as a result of an illness or an injury, the Surgical Expense Reimbursement Benefit will pay you the surgical fees up to the limit you select.

The Surgical Expense Reimbursement Benefit will pay you 100% of the actual charge for the Surgeon's fee, Anesthetist's fee and operating room rent; however, this should not exceed the percentage of the maximum benefit set forth in the surgical schedule for each surgical procedure.

If the surgical expense is already covered by a government program or other insurance plan, the Surgical Expense Reimbursement Benefit will only pay for amounts not covered by these plans, or policies as per the original bills.

The Surgical Expense Reimbursement Benefit is only available as an option to the Accident and Sickness In-Hospital Income Benefit.
