## STORIES LIKE YOURS

My name is Samer, I have been living in Dubai with my wife Sandra for almost 4 years now. We decided a year ago to start planning for our retirement in Australia. We had to look for an investment plan that would help us build up sufficient savings with potentially good returns over a period of 15 years.

We chose Wealth Plus because it not only allows us to choose the investment strategy based on our risk profile, but also ensures that our family benefits from an insurance protection in case unfortunate events happen. In fact, by contributing USD 980 on monthly basis for 15 years, Wealth Plus allows us not only to start building wealth but also gives me the peace of mind that, no matter what happens to me, my family will receive USD 500,000 insurance benefit and allow them to maintain the lifestyle they are accustomed to.
